RESEARCH EXPERIENCE

Graduate Research Assistant, August 2017-July 2021

College of Social Work, University of Utah, Salt Lake City, UT

- Supported qualitative and quantitative data analysis, manuscript writing, and grant applications alongside tenured faculty members

Co-Investigator, October 2018- June 2020

Coordinated Community Response to Non-Fatal Strangulation Steering Committee, Salt Lake City, UT

- Advised steering committee stakeholders on study design and data collection
- Conducted interviews with NFS stakeholders to learn about current NFS care and coordination landscape

Contractor, May 2021-December 2021

Co-Investigator, October 2018-June 2019

Research Assistant, January 2018-October 2018

Social Research Institute, College of Social Work, University of Utah, Salt Lake City, UT

The Social Research Institute (SRI) provides research, training, and implementation facilitation that assists agencies and programs to provide effective social services to children and adults.

- Provided expert recommendations for the Utah Trafficking in Persons (UTIP) Task Force annual grant report
- Conducted bi-annual federal evaluations of human trafficking grant programs for the Refugee and Immigrant Center-Asian Association of Utah (RIC-AAU)
- In partnership with Salt Lake County's City Mayor's Office and District Attorney's Office, developed, implemented, and analyzed the results of a needs assessment to identify gaps and barriers to better serve survivors of human trafficking

International Immigration and Policy Research Fellow, June 2018-December 2018

Asia Center, University of Utah

Advisor: Dr. Caren Frost- University of Utah

- Conducted field research in collaboration with Sungkyunkwan University pertaining to the health needs of marriage and labor migrants in South Korea

Volunteer Research Assistant, September 2014- Present

Advisor: Dr. Matthew Rossheim, George Mason University; Remote

- Co-facilitated multi-site research project examining students' use of and exposure to Four Loko and its implications for alcohol legislation
- Collected primary data related to bar drink prices and tobacco policies

Volunteer Research Assistant, August 2017- November 2018

Advisor: Dr. Steven Godin. Department of Family and Preventive Medicine, University of Utah, Salt Lake City, UT

- Conducted quality assurance analyses of mental health-related mobile applications and diabetes health education websites

Graduate Research Assistant, November 2014-May 2016

Advisor: Dr. Scott Walters, School of Public Health, University of North Texas Health Science Center, Fort Worth, TX

m.chat is a technology-enhanced health coaching program for formerly homeless individuals in permanent supportive housing; funded by a Texas Medicaid 1115 waiver

- Screened eligible participants for inclusion into the m.chat study, conducted monthly phone assessments with active participants, and managed participant data in ETO

Graduate Research Assistant, November 2014-May 2016

Advisor: Dr. Emily Spence-Almaguer, School of Public Health, University of North Texas Health Science Center, Fort Worth, TX

- Served as the co-investigator on the evaluation of the Mental Health Connection of Tarrant County's Trauma-Informed Care survey
- Collected primary data for a community-wide breast cancer screening day to assess for barriers to breast health
- Co-facilitated focus groups to evaluate the American Academy of Pediatrics Reaching Teen's Program

PROFESSIONAL EXPERIENCE IN OTHER THAN HIGHER EDUCATION

Contractor, September 2021-Present

Last Prisoner Project, Remote

- Design infographics, press releases, and presentations for Last Prisoner Project for legislative initiatives, including:
 - A [presentation](#) that was given to Virginia's Cannabis Oversight Commission

Policy Enforcement Manager, August 2021-Present

YouTube, Remote

- Create, revise, and enforce adult content-related policies that make up YouTube's Community Guidelines
- Collaborate with cross-functional teams including engineering, policy development, market research specialists, and product management to advance YouTube's mission
- Review content escalations and apply appropriate policies for YouTube's 2 billion+ monthly users according to YouTube's Community Guidelines

Contractor, 2021

Sudbury Consulting, LLC.

- Supported validation efforts of Code for America's code to automatically identify criminal cases in Utah that are eligible for expungement by comparing CFA's determination to attorney determination, identifying error rates, and making implementation recommendations to legislators based on findings

Research Associate, June 2019-May 2021

Thorn: Digital Defenders of Children, Remote

Position changed from paid contractor to full-time employee in June 2019

Position changed from volunteer to paid contractor as of June 2018

- Supported Thorn's prevention-focused campaign initiatives by scoping out and analyzing nationally representative and cross-functional research to understand the pathways in which minors produce self-generated child sexual abuse material (SG-CSAM) and how they are at-risk for being groomed by offenders

- Recommended scalable, transferable solutions to leading social networking companies like Facebook to improve youth's reporting and blocking experiences and promote online safety, which were borne out of our youth-focused, nationally representative Hurdles to Disclosure research
- Managed relationships and coordinated projects with internal colleagues from Policy and Public Affairs, Victim Identification, Youth & Communities, Industry, Engineering, Marketing, and Data Science teams and external colleagues that included a market research firm and leading academic researchers
- Regularly strategized research and campaign programming approaches to address child sexual abuse and the production and distribution of child sexual abuse material (CSAM)
- Leveraged insights from more than 700 minors to make recommendations to improve safety campaigns that included making materials empathetic instead of shame-based, providing actionable information instead of purely educational, and presenting content that portrays a serious tone and that reflects diversity
- Authored literature reviews and briefs related to offender grooming, cryptocurrency, child welfare system, sexting-related legislation, and sock puppetry (dangerous duplicate/dummy accounts)
- Supported Thorn's commitment to diversity, equity, inclusion, and belonging (DEIB) by participating in Thorn's inaugural DEIB working group
- Promoted internal team knowledge of emerging trends and current research related to child sexual abuse and domestic minor sex trafficking by managing monthly new hire on-boarding operations and supporting monthly Research Forums

Freelance Editor, Writer, and Content Creator

- BestColleges, 2022-Present
- BodyEcology, 2021
- Healthline, 2021
- Media Shower, The Blockchain Media Company. 2019-2021
- Kindful, Remote. 2017-2019
- Lore de Force, LLC. 2017-2019
- Coqui Content Marketing. 2017

Program Analyst Intern, June 2017 - December 2017

Salt Lake County Criminal Justice Advisory Council (CJAC), Salt Lake City, UT

- Documented the reentry landscape for individuals exiting Salt Lake County's jail by conducting interviews with and administering a web-based survey to community-based stakeholders about present services and notable gaps
- Identified barriers to reentry and made recommendations for resolving issues related to resource needs, including advocating for more resources for women and children that both prevent and address needs related to partner violence

Health Advocate for the TESSA Project, May 2016-May 2017

University of North Texas Health Science Center, Fort Worth, TX

TESSA is a technology-assisted screening and intervention program that integrates services between primary health clinics and organizations serving interpersonal violence victims funded by the U.S. Department of Health and Human Services' Office on Women's Health.

- Informed by best practices, educated healthcare professionals in primary healthcare settings and Title X clinics about the importance of screening for intimate partner violence in their populations. Mediated patient handoffs from the primary healthcare provider to a community-based advocate, if needed
- Served as a partnerships manager by collaborating with healthcare professionals, EMS, and firefighters, to coordinate emergency screenings in community-based organizations to prevent negative consequences of nonfatal strangulation in intimate partner violence victims

- Provided healthcare navigation to victims of intimate partner violence by educating them about the health impacts of intimate partner violence, helping them navigated health insurance programs, and connecting them to primary healthcare settings (both to victims from community-based organizations and those living without housing by accompanying the local street outreach team on their field work)
- Coordinated with local rape crisis, domestic violence, and family justice centers to support incorporation of health advocates in their respective settings

Health Educator, September 2014-February 2016

American Pregnancy Association, Irving, TX

Interim Youth and Community Development Coordinator, August 2013-November 2013

The Salvation Army, Lewisville, TX
